

**Bachelor of Pharmacy (Honours)
Study plan for semester one commencement***

Nanyang Polytechnic – Diploma in Pharmaceutical Science (Pharmacy Practice specialisation)

Following completion of the Diploma in Pharmaceutical Science (Pharmacy Practice specialisation) at Nanyang Polytechnic, students will be eligible to receive #20 units credit including:

- BIOL1020 Genes, Cells and Evolution
- BIOM1051 Introductory Cellular Physiology
- BIOM1052 Integrated Anatomy and Physiology
- PHRM1101 Pharmacy Practice and Medicines Management 1A
- PHRM1102 Pharmacy Practice and Medicines Management 1B
- PHRM2201 Pharmaceutical Sciences 2A
- PHRM2202 Pharmaceutical Sciences 2B
- PHRM3201 Pharmaceutical Sciences 3A

The Bachelor of Pharmacy (Honours) course list is available [here](#).

**Semester one commencement (February)
Duration of studies at UQ: three years**

Year one at UQ	
Semester one	
PHRM2101	Pharmacy Practice and Medicines Management 2A
PHRM2500	Pharmacokinetics and Medicines Management
Semester two	
HLTH1000	Professions, People and Healthcare
PHRM2102	Pharmacy Practice and Medicines Management 2B
PHRM2300	Social Pharmacy and the Health System 2A
Year two at UQ	
Semester one	
PHRM3101	Pharmacy Practice and Medicines Management 3A
PHRM3301	Social Pharmacy and the Health System 3A
Semester two	
PHRM3102	Pharmacy Practice and Medicines Management 3B
PHRM3202	Pharmaceutical Sciences 3B
PHRM3302	Social Pharmacy and the Health System 3B
Year three at UQ	
Semester one	
PHRM4071	QUM Research Focussed Placement
or	
PHRM4072	QUM Pharmacy Practice Placement
PHRM4101	Pharmacy Practice and Medicines Management 4A
Semester two	
PHRM4071	QUM Research Focussed Placement
or	
PHRM4072	QUM Pharmacy Practice Placement
PHRM4102	Pharmacy Practice and Medicines Management 4B
OR	

Clinical and Experimental Therapeutics major

The major gives students the opportunity to extend their research experience even further by undertaking a research project mentored by some of the leading researchers in Australia. Eligibility requirements and a competitive selection process applies.

Semester one

PHRM4080	Independent Research Project
PHRM4101	Pharmacy Practice and Medicines Management 4A

Semester two

PHRM4080	Independent Research Project
PHRM4102	Pharmacy Practice and Medicines Management 4B
PHRM4062	QUM Pharmacy Practice Placement

*Indicative study plan only

Correct as at 1 April 2022

If students would like further information about studying the Bachelor of Pharmacy (Honours) at The University of Queensland, please contact **Chloe Lee** chloe.lee@uq.edu.au.

Semester two commencement (July)

Duration of studies at UQ: three and a half years

First semester at UQ

Semester two

HLTH1000 Professions, People and Healthcare

Year two at UQ

Semester one

PHRM2101 Pharmacy Practice and Medicines Management 2A

PHRM2500 Pharmacokinetics and Medicines Management

Semester two

PHRM2102 Pharmacy Practice and Medicines Management 2B

PHRM2300 Social Pharmacy and the Health System 2A

Year three at UQ

Semester one

PHRM3101 Pharmacy Practice and Medicines Management 3A

PHRM3301 Social Pharmacy and the Health System 3A

Semester two

PHRM3102 Pharmacy Practice and Medicines Management 3B

PHRM3202 Pharmaceutical Sciences 3B

PHRM3302 Social Pharmacy and the Health System 3B

Year four at UQ

Semester one

PHRM4071 QUM Research Focussed Placement

or

PHRM4072 QUM Pharmacy Practice Placement

PHRM4101 Pharmacy Practice and Medicines Management 4A

Semester two

PHRM4071 QUM Research Focussed Placement

or

PHRM4072 QUM Pharmacy Practice Placement

PHRM4102 Pharmacy Practice and Medicines Management 4B
